The right care

RESIDENTIAL CARE

With residential care at Portobello Place, residents can live as independently as they wish, making the most of our fantastic facilities, events and activities, as well as personal care and support on hand whenever it's required.

RESPIRE & DAY CARE

If short-term care is what you need, our respite and day care opportunities offer the ideal way to enjoy all the facilities and expert care available here at Portobello Place. This kind of care also offers carers much-needed breaks, complete with that all-important peace of mind.

DEMENTIA CARE

If a member of your family is living with dementia, our specially trained staff are here to help. With the right knowledge, the ideal environment and outstanding care here in our home, we can help your loved one to continue leading a fulfilling life, even in challenging times.

Our first-class focus on quality living and care.

Although we are new to the Chesham area, we are not new to care – as part of the Berkley Care Group, we have drawn on over half a century's experience among senior management to create a wonderfully luxurious yet comfortable and homely environment that surpasses expectations and delivers exactly what it promises.

SPECIALIST CARE AND HIGH-STAFFING LEVELS

We provide first-class residential living for both individuals and couples, dementia care, respite care and day care – and we take great pride in the high standards we set for ourselves, starting with our higher-than-average staff-to-resident ratio.

With such high staffing levels, our residents are in the perfect place to enjoy the very best quality of life every single day, as there's always time for a chat and nothing is ever rushed.

EVENTS AND ACTIVITIES

Equally central to our philosophy of care is our events and activities programme; with a full-time Events team here at Portobello Place, we are able to encourage residents to take part in a wide range of activities in our innovative and original schedule, which helps to provide enjoyment, self-confidence and a feeling of accomplishment. After all, it's all about leading an independent and fulfilling life with a helping hand there when you need it.

Here at Portobello Place, our all-inclusive structure is unique – it removes an element of worry and allows our residents to enjoy the good life.

Meet new friends, experience luxury and make Portobello Place your home.

Our team are here to answer any questions you may have and are available to show you around our lovely home. You can view physically at a time that suits, or we can show you and a loved one around the home virtually.
